Full Overlay Dimensions

Full overlay doors are sized to cover nearly all of the cabinet face frame. Full overlay door styles require decorative hardware. To facilitate proper door operation, include at least a 1" filler between the hinged side of full overlay door styles and deeper adjacent objects including cabinets, walls, appliances and countertops.

Partial Overlay Dimensions -

Partial Overlay (POL) doors are sized to show about an inch of the cabinet face frame, giving the door some visual depth. Some door styles do not require decorative hardware.

Care & Cleaning

While our finishing processes promote durability, care should be taken to preserve the original factory finish:

- Wipe up spills immediately
- Use mild soaps only
- Be sure to read all cabinet care guidelines and cleaning product instructions carefully

Use a touch-up stick to fill any scratches or nicks and remove excess residue, leaving a smooth surface. Touch-up kits are included with every kitchen sink base cabinet or can be ordered separately as needed.

Important Information

Lifetime Limited Warranty

The manufacturer of 1951 Foundations hereby warrants to the original purchaser, for residential applications only, that all 1951 Foundations, cabinets and accessories, are free from defects in materials and workmanship. This warranty runs for as long as you own your home and begins upon the date of delivery to you. This warranty is expressly limited to repair or replacement of the defective part at the discretion of the manufacturer of 1951 Foundations, and does not include labor for removal or replacement. This warranty does not extend to defects caused by improper handling, storage, installation, assembly or disassembly, intentional damage, product modifications, exposure to the elements including humidity which may result in warping or splitting, accidental misuse, abuse or negligence.

Natural woods may vary in texture, color and wood grain, and exhibit subtle changes as they age. For example, wood joints may eventually have visible cracking around the joint area and cabinet colors may darken or lighten over time. Sunlight, smoke, moisture, household cleaners and other environmental conditions may cause materials to vary from their original color and/or to warp, split or crack. These variations are considered to be the nature of the material in relation to its environmental exposure and are not covered under this warranty.

Limitations & Disclaimers

THE MANUFACTURER OF 1951 FOUNDATIONS MAKES NO OTHER WARRANTIES OTHER THAN THOSE SET FORTH HEREIN AND ALL OTHER WARRANTIES ARE HEREBY DISCLAIMED. THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE LIMITED IN DURATION TO THE LENGTH OF THE LIMITED WARRANTY PERIOD. THE LIMITED WARRANTIES SET FORTH HEREIN ARE LIMITED TO THE FIRST AND ORIGINAL BUYER AND ARE NOT TRANSFERABLE THEREAFTER. IN NO EVENT SHALL THE MANUFACTURER OF 1951 FOUNDATIONS BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES TO THE PURCHASER OR TO ANY THIRD PARTY, INCLUDING, WITHOUT LIMITATION, DAMAGES ARISING FROM PERSONAL INJURY, LOST PROFITS, LOSS OF BUSINESS OPPORTUNITY, LOSS OF PROPERTY, ECONOMIC LOSSES, OR STATUTORY OR EXEMPLARY DAMAGES, WHETHER FROM NEGLIGENCE, WARRANTY, STRICT LIABILITY OR OTHERWISE. Some states do not allow the exclusion or limitation of incidental or consequential damages, or limitations on how long an implied warranty lasts, so the above limitations and exclusions may not apply to you. This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state.

Claims

All claims for defective cabinets and accessories must be initiated with the Partner Team and must specify the defects present in the cabinets and accessories. After the manufacturer has had an opportunity to inspect the cabinets and accessories, it will, at their discretion, either replace defective cabinets and accessories or repair any defects in the cabinets and accessories.

Continuous Improvement

In keeping with our policy of continuous product refinement, 1951 Cabinetry reserves the right to change specifications in design and materials as conditions require.
